CAREER OBJECTIVE

Aspiring Software Developer with hands-on experience in Python, JavaScript, PHP, and MySQL. Skilled in developing responsive web applications, REST APIs, and machine learning projects using Agile development practices. Familiar with software development lifecycle, debugging, database management, version control, and team collaboration.

TECHNICAL SKILLS

Programming Languages: Python, JavaScript, PHP

Frontend Technologies: HTML, CSS, Bootstrap, jQuery

Backend & Database: MySQL, REST APIs

Core Concepts: OOP, DBMS, Machine Learning, Web Development, Debugging

Tools & Platforms: Git, GitHub, VS Code

Development Practices: Agile, Software Development Lifecycle, Unit Testing, Team Collaboration, Responsive Design

PROJECTS

AI-Based Digital Addiction Risk Analyzer (*Python, Pandas, NumPy, Scikit-learn*)

- Developed a machine learning model using Python and Scikit-learn to predict digital addiction risk.
- Performed data preprocessing, feature selection, and model evaluation using Pandas and NumPy.
- Improved prediction accuracy using classification algorithms and debugging techniques.

Online Railway Reservation System (*HTML, CSS, JS, Bootstrap, PHP, MySQL*)

- Developed a full-stack railway reservation system with booking, cancellation, and search features.
- Designed responsive user interfaces using HTML, CSS, Bootstrap, and JavaScript.
- Implemented CRUD operations and database management using PHP and MySQL.

Personal Portfolio Website (*HTML, CSS, JavaScript*)

- Developed a responsive personal portfolio website using HTML, CSS, and JavaScript.
 - Optimized the website for responsive design and cross-device compatibility.
-

EDUCATION

- Master of Computer Applications (MCA)**

P. P. Savani University, Surat , April 2026

- Bachelor of Computer Applications (BCA)**

M.K. Institute of Computer Studies, Veer Narmad South Gujarat University, Surat | Graduated: April 2024

CERTIFICATIONS

- Developing AI Applications with Python and Flask – <https://coursera.org/verify/JGABGRB02487>
 - Google UX Design – coursera.org/verify/professional-cert/6LKUIXR1AJ4F
